

GEORGE YARD
SHOPPING CENTRE

Tenants Update No: 32

12 November 2018

George Yard Shopping Centre cares about our community and we are unwilling to put our visitors in a position where they might become uncomfortable or feel unsafe when they are shopping.

As a result, for reasons beyond our control, we are cancelling the attendance of live reindeer on Reindeer Day, Saturday November 24th.

Equal to our concern about our visitors, we are also concerned about the animals themselves. We have had it drawn to our attention, very strongly, by not only local people but also a couple of charities, that the animals themselves may be stressed by their appearance. Although we did not see any evidence of stress in the reindeer who came last year, we acknowledge these concerns.

We will be offering alternative entertainments based around reindeer on Saturday November 24th and hope to see you in the town, to continue your Christmas shopping in a spirit of peace and fun!

Please note that the animals who will take their own part in the Switch On celebrations on Saturday 17th November will not be affected by this decision.
